Don't forget to register on line for a free text message to your mobile phone in the event of bad weather. We are hoping to set up a 'Phone Tree' to ensure that all parents are contacted as quickly as possible should we need to close the school. More details about this will follow. The Big Green Poetry Machine

Last term KS2 children submitted poems with an 'environmental' theme for a competition run by the above company.

We have been informed today that some of the poems we sent have been accepted for publication.

If your child's poem has been selected you will need to give permission for it to be printed. If you wish to order a copy of the poetry book you might like to do this through school as it is cheaper to order multiple copies.

Fruit Scheme

It's not too late to order fruit for KS2 children at a cost of £3 for this half-term. Most children really enjoy a piece of fruit mid-morning, and we like them to have a snack to keep up their energy levels until lunch time. Contact the office if you would like to order fruit. THANK YOU.

As yet the Luxury Christmas Hamper is unclaimed. Please check your tickets – the winning number is
